

Let's Educate A Rainbow Nation

BEFORE

Books are essential to fostering a positive and effective learning environment. Many South African schools, however, do not have the resources to supply their learners with these vital materials. Most of the children in these schools have never even been into a library.

Our Mission

The **LEARN Project** is a non-profit trust that reaches out to South African schools and children in need. Our goal is to equip these schools with reading books and to create sustainable libraries and classroom book corners.

Our Vision

To put a book into the hand of every learner in order to foster a love of reading and learning today, so that they may reach their full potential tomorrow.

AFTER

Become a Friend of The LEARN Project

WAYS YOU CAN HELP

You are welcome to make a once-off donation or a regular monthly contribution.

BANKING DETAILS

The LEARN Project Trust
Standard Bank
Account number: 051402637
Branch code: 042826

- Collecting books
- Sorting books
- Covering books
- Setting up libraries and book corners
- Fundraising assistance

Contact us if you would like to drop off any pre-loved children's books or have a LEARN collection point set up at your office or school.

Why not consider making The LEARN Project part of your company's CSI programme?

Friends of The LEARN

Project will receive regular updates and be invited to library launches to experience the change firsthand and meet learners who are excelling and improving at school with the help of LEARN initiatives.

We believe that 'Readers make Leaders' and with a wealth of knowledge at their fingertips, a brighter future can be seen ahead for each individual child, as well as for our beautiful country.
